NOW HIRING: TECHNICAL DIRECTOR

Fairbury Speedway is currently looking for a Technical Director to lead the efforts for a fair and even playing field for our race season. We wish to continue to be the leaders in this industry and by hiring this position, we will solidify our position by ensuring all cars are legal to run each night at FALS. If you meet the below qualifications and would like to work in a fun, fast-paced, friendly environment, please consider joining our crew at America's Dirt Track, this season.

General Requirements for this position:

- Must be available most Saturdays from May 2nd – October 3rd, along with a few Special Events throughout the year.
- Must possess knowledge of all racing divisions at FALS.
- Must have an understanding of the DIRTcar sanctioning and their rules.
- Must be familiar with new-technology in the racing community.
- Must be able to multi-task in a fast-paced environment.
- Must possess attention to detail characteristics.
- Must be able to work on your feet for very long periods of time.

General Duties for this position:

- Inspection of all racecars.
- Understand and identify safety concerns.
- Complete pre-race & post-race inspections.
- Conduct tire sampling.
- Communicate professionally and clearly to drivers of any infractions found.
- All other duties as assigned.

Hours: 5pm-11pm (or when the race program ends)

Pay: Compensation will depend on knowledge and time commitment.
